

Balón Series

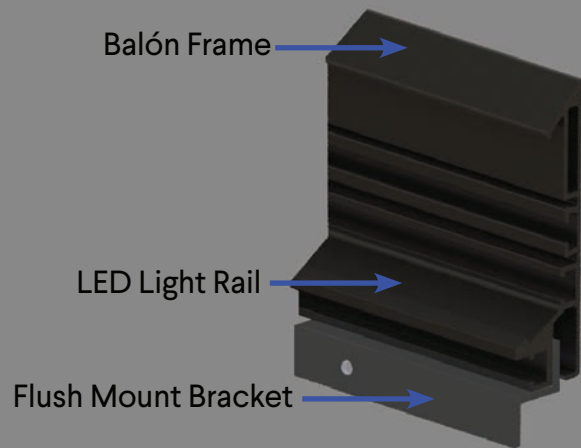

Borderless, or Minimally Bordered Fixed Frame Screen System
Base MSRP \$2,776.55 (USA Only)

New Flush Mount Bracket

View of back of screen

- Hanging screen is quick and easy
- Keeps back of screen flush to the wall
- Tight fit eliminates LED* lighting from washing out image

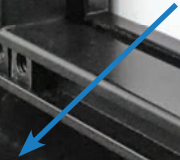

*LED kit optional

Balon Edge

1/2" Velux Border

Border Trim
Back of Screen

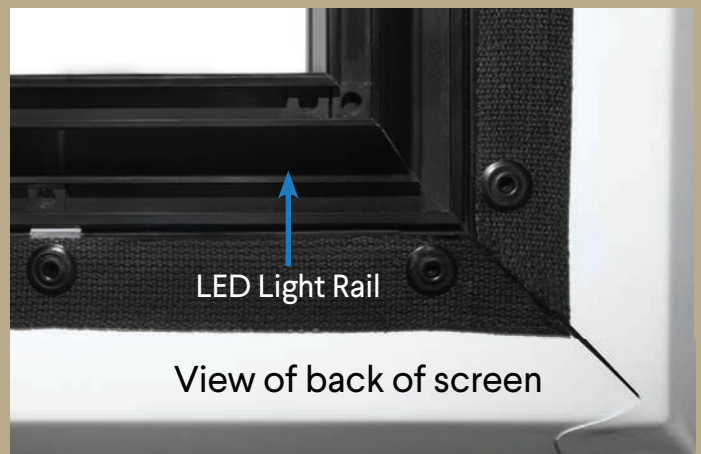

- 1/2" Velux border provides a crisp, sharp image
- Border trim manages all material, leaving a clean and tidy finish

Balon Borderless

- Ultra-thin profile provides a big screen image
- Black border can be added to create the framed look appearance

- Quick snap screen assembly, perfectly aligns front projection screen fabric to the frame*

* BlackHawk UST uses a lace and grommet method for installation

Optional LED Kit

Set the Mood with an LED Lighting Kit

- Select from a myriad of colors to match a mood or accent the décor of any room
- Balón's new flush mount with integrated LED light rail is angled at 60 degrees for balanced light disbursement

Screen Materials

The Balón series is available in the most popular Stewart screen materials, providing stunning visual experiences with any projector pairing and lighting scenario.
